

NBS OVERVIEW

Nationwide Brokerage Solutions (NBS) manages over \$1 billion in premium for 11,000 agents across the country. With no production requirements and low to no cost of entry, we deliver financial stability by connecting you with Nationwide products and industry leading carriers. Whether you're a Nationwide exclusive or independent agent, we have the carrier relationships and experienced, consultative sales support to help you grow your agency.

Part of the Nationwide Insurance family of businesses

40 years of placing accounts and caring for agents

Compensation incentives and competitive commission rates

Flexible

We're more than a brokerage. In addition to wholesale solutions, you can benefit from our MGA authority and available direct carrier appointments.

Wholesaler: We serve as a distribution advantage for Nationwide products and connect you with up to 75 other carriers and their products.

MGA Authority: As a Managing General Underwriter (MGU) with several E&S carriers, we have flexibility to adapt quotes to your unique clients.

Market Access: We understand you're busy and need quoting options that fit your business. Get quotes quickly by comparative rater or direct carrier appointment.

Dependable

We care about what matters to you. Invest in your agency by owning your book of business, earning more through our incentive bonus and securing against E&O claims.

Ownership: You own the business you write with NBS and it's yours to grow or sell as you like.

Compensation: When you write more than \$500,000 in premium, you can earn an annual bonus of up to 1.75%. Plus, we offer some of the most competitive commission rates in the industry.

Errors & Omissions (E&O): For over 30 years, NBS has worked alongside Allianz to deliver policies to meet your E&O needs with an improved application process and competitive rates.
