Commercial Lines Carrier Availability

Retail - Food related [retailf]

Restaurants (Full-Service) [359]
NAICS classification code 722511
SIC classification code 5812

Restaurants, full service [9]

- Underwriting Notes: Full-service restaurants provide food services to patrons who order and are served while seated (i.e. waiter/waitress service) and pay after eating. This business class may be referred to a specialty market if it does not meet guidelines for standard carriers. If referred, you may be contacted for additional information to qualify and quote this business. Availability will then be subject to specialty market guidelines.;
- The carriers displayed for the lines of business selected are subject to specific underwriting criteria.
